

# Kshitij

Kshitij is IIIT Nagpur's annual sports event, bringing together students from the Computer Science and Engineering (CSE) and Electronics and Communication Engineering (ECE) branches with their specializations. This vibrant meet features a diverse range of sports, including chess, table tennis, football, basketball, cricket, badminton, etc. offering students a chance to compete and engage in friendly rivalries.

The event is designed to promote teamwork and sportsmanship, encouraging participants to excel in sports while demonstrating integrity. Kshitij aims to enrich the student experience by emphasizing the importance of physical fitness and a balanced lifestyle, building a sense of community among participants.

Through Kshitij, IIIT Nagpur states its commitment to the holistic development of its students, culminating physical activity with academic and personal growth to cultivate well-rounded individuals.
