Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of the Indian Institute of Information Technology, Nagpur for the year ended 31 March 2018.

We have audited the attached Balance Sheet of the Indian Institute of Information Technology, Nagpur ('the Institute') as at 31 March 2018, the Income & Expenditure Account and Receipt & Payment Account for the year ended on that date under Section 20(1) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 read with Section 28 of the Indian Institutes of Information Technology (Public-Private Partnership) Act, 2017. The audit was entrusted for the period from 2016-17 to 2020-2021. These financial statements are the responsibility of the Institute's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules and Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/ CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- i. We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit.
- ii. The Balance Sheet, the Income & Expenditure Account and the Receipt & Payment Account dealt with by this report have been drawn up in the new format prescribed by the Ministry of Human Resource Development, Government of India vide Order No.29-4/2012-IFD dated 17 April 2015 .
- iii. In our opinion, proper books of accounts and other relevant records have been maintained by the Institute as required under Section 28 of the Indian Institutes of Information Technology

(Public-Private Partnership) Act, 2017 in so far as it appears from our examination of such books.

iv. We further report that:

A. Balance Sheet

A.1 Assets

A.1.1 Loans, Advances & Deposits (Sch -8 Rs.90.42 lakh)

The Institute has received Rs.21.77 lakh for the sponsored project (SERB), out of which expenditure of Rs.6.60 lakh was incurred and thereby the Institute has a credit balance of Rs. 15.18 lakh which is reflected under Current Liabilities Schedule 3(c). The Institute has also depicted Rs.15.18 lakh incorrectly under Loans Advances & Deposits (Schedule 8) being debit balance under sponsored projects. Loans, Advances & Deposits are therefore overstated by Rs.15.18 lakh with corresponding understatement of Current Assets (Cash & Bank Balances).

B. General Comments

1. The Institute has various academic receipts viz., tuition fees, development fees, examination fees, gym and magazine fees, library fees, registration fees, training and placement fees etc. which has not been exhibited distinctly under Schedule 9 (Academic Receipts) as required under MHRD

Out of plan grants of Rs 11.89 crore received from Government of India (including unspent balance of Rs.2.89 Crore carried forward from the previous year), the Institute utilized Rs.1.83 Crore during the year and after considering the internally generated income of Rs 4.31 crore, the unutilized grant as on 31 March 2018 worked out to Rs 14.37 crore.

Out of grants received from Government of Maharashtra of Rs.2.22 Crore (including unspent balance of Rs.Rs.1.02 Crore carried forward from the previous year), Rs.1.02 Crore was utilized for capital expenditure leaving an unspent balance of Rs. 1.20 Crore.
