ABHIVYAKTI 2022

[4th to 6th March]

About Us

Abhivyakti is the Annual Cultural fest organized by IIIT Nagpur.

The idea behind Abhivyakti is to provide a stage for students to come up with their talents and shine. Abhivyakti is a cultural extravaganza that showcases an enviable talent pool and a home to expressions. It's the floor where students learn to coordinate, manage, interact and work together as a team with common objectives.

Aim

We aim to bring out students' hidden talents beyond academics and build a strong community of students from IIIT Nagpur as well as institutions across the country providing them a platform to develop skills and promote Indian Culture and Social Ideology with creativity.

Theme

The theme of Abhivyakti 2022 is **“The New Normal”**.

The changes in the way of doing everything have been apparent since the pandemic has hit us and now, the 'changed' things have become 'normal'.

However, this does not mean that things that add happiness to our lives need to change. We still have our beautiful culture and IIIT Nagpur has taken this chance to hold the annual cultural fest, Abhivyakti 2022 to bring out culture forward.
