NOTICE

All the students are requested to note that the Institute understands their eagerness for returning to the Campus for offline studies and appreciates the same.

However, this is to bring to the notice of all the students that the Government of Maharashtra has yet not relaxed the restrictions of 50% attendance (of the total capacity) in an enclosed / closed space. The specific directives for Higher Educational Institutions are still awaited.

Further, as per the guidelines / advisories issued by the Central / State Governments / Local Authorities from time to time, maintenance of Social Distancing and strict implementation of other Covid Appropriate Behavior (CAB) is mandatory. Also, in case of infesting with COVID-19 Virus, Institutional Quarantine has been made mandatory.

Therefore, considering the entire situation and the guidelines / advisories / directives issued by the State Government of Maharashtra and Nagpur Municipal Corporation the Institute has decided to call only 3rd Year and 4th Year Students on the Campus for the time being.

The decision on allowing the 1st Year as well as 2nd Year students shall be taken once the directives for Higher Educational Institutions are received from the State Government of Maharashtra.

All the students are therefore requested to have patience and co-operate the Institute in implementation of the Government Directives issued in the context of COVID-19 Pandemic.
