

Indian Institute of Information Technology, Nagpur
Session: 2020-2021

Modalities for the Conduction of Online Classes

This is to inform that the **online classes** of 1st semester CSE/ECE will commence from 7th December, 2020 and the **online classes** will be conducted using **Cisco Webex Meetings App**.

Steps for installing Cisco Webex Meetings App:

1. Go to <https://www.webex.com/downloads.html> and download Webex meetings for Windows. The Webex Meetings App can also be easily downloaded through App Store / Google Play Store for smart phones.
2. Double-click the **webexapp.msi** file that is downloaded to install the Webex.
3. The Webex Meetings setup wizard will launch. Follow the instructions to install.
4. Once Webex installed, the app will launch automatically.
5. To open the App, double-click the Webex Meetings icon on your desktop.
6. To join meeting through Webex, enter Meeting Number and password of meeting, If any.

Note: If anyone doesn't have Webex App installed, one can join the meeting through Web Browser links given below for CSE and ECE separately.

The Demo Online Class Sessions are scheduled on **4th December 2020** separately for CSE and ECE students using Cisco Webex.
