

Communications Lab

The Language Laboratory sessions include word games, quizzes, extemporary speaking, debates, skits etc. These sessions are complemented by online learning sessions which take place in the Multi-Purpose Computer Lab. The lab offers a variety of functions such as Recording, High Speed Copying, Test Preparation, Intercom, Student Monitoring, Teacher/Student Call, Group Conferencing, etc.

OBJECTIVES:

1. Understand the importance of effective interpersonal and workplace communication.
2. Learned analytical and decision-making skills
3. Have better reading comprehension and pronunciation
4. Write letters and resumes
5. Organize their thoughts for better pre and post placement communication through effective presentations, writing, personal interviews and group discussions.
6. Utilize functional English grammar for accurate and enhanced language skills.
7. To provide an avid exposure on concepts, tools and techniques in areas that yield professional acclimatization and competence.
